4. Write a 4-Part short report recommending a camera for Video Production class
 - A. Introduction: (1). Thesis Sentence (purpose of project), (2). How much you recommend spending, and (3). What you will consider when identifying a video camera
 - B. Paragraph 2: (1). Your top choice, (2). Why you recommend it (3). What it will cost
 - C. Paragraph 3: (1). Your second choice, (2). Why you recommend it as an alternative, and (3). What it will cost
 - D. Summary: A PERSUASIVE reason to buy this camera (2 or 3 sentences)
HINT: It will be easiest to restate the purpose of buying a camera and then how your choice will help achieve those goals).

Grading Rubric:

- A = Camera recommendations both are reasonable and capable of meeting the purpose of this purchase. Short explanations (paragraphs 2 & 3) explain and highlight each choice, ranking them 1 & 2. Summary makes it clear why you recommend these choices.
- B = 2 of above 3
- C = 1 of above 3
- D = 0 of above
- F = Nothing Submitted
